

## Prefixes dis-, de-, mis-, over- and re-

A prefix is a group of letters that is added to the start of a root word to make a new word.

1) Match the prefix with the correct root word to make a new word.

dis
mis
de

activate
continue
behave

re
over
mis

react
judge
assemble

2) Sort the words into the table to match them with the prefix they belong to.

dis-	de-	over-

fuse

take

appoint

use

turn

code

hydrate

compose
