

Spaces Between Words

We leave a finger space between words so that a sentence makes sense and the words aren't all muddled up. Leaving a finger space makes a sentence much easier to read.

- 1) Tick the sentences that have finger spaces in the correct place.

The plums hang on the tree.	
The dog sat by the fire.	
We like to swim in thesea.	
My friendwas latefor school.	
Hens laylotsof eggs.	
They are going to the beach.	
The children like to skip and run.	
We havea pet kitten.	

- 2) Copy out these sentences. Make sure you leave a clear space between each word.

Our house has a red door.

The sheep like to eat grass.

A frog jumps into a deep pond.

- 3) This sentence has no finger spaces. Write it out again leaving a finger space between each word.

Thegirlwantsanewbike.
